COMMERCIAL SERVICES AGREEMENT

This Commercial Service Agreement ("Agreement") is entered into March 13, 2025 (the "Effective Date"), between the below signed customer ("Customer"), and DTG ENTERPRISES, INC. ("DTG"), a Washington corporation (together, the "Parties"). This Agreement will be legally binding when signed by both parties and will continue in effect until terminated in accordance with the Agreement.

This Agreement sets forth the terms and conditions under which DTG will provide commercial solid waste disposal and other services ("Commercial Services") to Customer. This Agreement consists of this Commercial Services Agreement Cover Page ("Cover Page"), the Commercial Services General Terms and Conditions ("General Terms"), any written amendments to the Agreement executed by both Parties ("Amendments"), the Service-Specific Attachment for the applicable Commercial Services ("SSA(s)"), and each Initial Price Page. Capitalized terms are defined in this Agreement, and inconsistency between documents will be resolved as follows: (1) this Cover Page, (2) General Terms, (3) SSA(s), and (4) Initial Price Page(s).

The General Terms and SSAs are available at www.dtgrecycle.com/terms (or any successor URL), which are specifically incorporated by this reference. The General Terms and SSAs are subject to change from time to time upon posting to the DTG website. Only the General Terms and SSAs in effect on the date commercial services are rendered will apply.

Note: "Two Box Rule" - Please note that the Washington Utilities and Transportation Commission prefers that operators of construction or demolition sites where recyclable materials are generated and transported for recycling provide a separate container for nonrecyclable material that is collected by a certified hauler. Customer should maintain a separate container for non-recyclable material that is collected by a certified hauler.

Customer hereby agrees to the above terms and conditions (including all terms and conditions posted at the URL above).
